Personalized Skincare Recommendations

- Your skin looks great! Keep up your routine
- Drink at least 8 glasses of water daily for hydration
- Get 7-8 hours of quality sleep each night
- Wash your face gently twice a day with mild cleanser

Skin Condition Summary

Your skin shows excellent health with no significant issues detected. Continue your current skincare routine and maintain sun protection.

Recommended Next Steps

- Maintain your current skincare routine
- Apply SPF 30+ daily for sun protection
- Continue healthy lifestyle habits (sleep, hydration)
- Do monthly check-ins to track skin consistency
